

Troop 71 Summer Camp

“Buddy” Preference

A key summer camp safety feature is the “buddy” system. During camp each scout has a scout buddy. The buddies are required to stay with each other during all activities. Buddies are encouraged to tent together and lasting friendships can be formed with this system.

Please advise below if your scout has a preference for a buddy. All scouts will be assigned a buddy and buddies will be assigned to the same summer camp patrols. Buddies will be encouraged to tent together. Try to return this form at the summer camp meeting or email the information to famlekowal@aol.com soonest.

Scout Name _____

Buddy Preference _____

Second Buddy Preference _____
